AGENDA FOR THE BRANCH MEETING TO BE HELD ON THURSDAY 26th AUGUST 2010

1. The chairman will say homage and take any apologies.
2. A report will be given on members who are ill.
3. The Treasurer will report on Branch assets.
4. The Secretary will report on the current review of our branch Database.
5. A report will be given by our branch coordinator (Gerald Rose).
6. Matters Arising.
 - 1) His Worship the Lord Mayor of the City of Birmingham and all successors has agreed to become the Patrons of our branch.
 - 2) Gerald Rose has written to the Lord Mayors Parlour with a request for a donation from the Lord Mayors Fund towards a laptop computer and if successful this will complement our branch administration.
 - 3) This item has been discussed on previous occasions with regard to members talking while business is being debated from the agenda. It must be remembered that some of our attending members are hard of hearing and cannot follow the information being given or the item being discussed. We have a microphone but cannot use it because of the distance from the control consul and we are not always in the same room. I would respectfully request that all members consider others while the meeting is in progress, so that others can enjoy receiving any relevant information that may be of possible interest.
7. The suggested visit to `Bletchly Park` was not followed through at the last meeting, therefore the Committee would like to know if there are any interested parties who would like further inquiries to be made.
8. Any Other Business will now be taken for discussion.
9. The Committee are uncertain whether Gerald and June will be taking their Autumn cruise this coming September, however if this is so we all wish them a happy cruise in warm waters and sincerely hope that they both return to us safely and that they are both revitalised and recuperated with June`s health being vastly improved.

The next branch Committee meeting will be held on Thursday 16th September 2010.

The next branch meeting will be held on Thursday 30th September 2010.

The Committee once again wish to thank all members for their magnificent support and that you all have a safe journey home. Good night to you all.

Gordon Blake – Chairman Royal Corps Of Signals
